

Safety Information Catalog

Chemicals

Category	ID #
Material safety data sheets (English & Spanish)(poster)	200A
Pay attention...to chemical warning labels (English & Spanish)(poster)	200B
Prevent chemical spills & leaks (English & Spanish)(poster)	200C
Prevent chemical burns (English & Spanish)(poster)	200D
NFPA diamond (English & Spanish)(poster)	200E
Hazardous poisonous materials (English & Spanish)	200F
Corrosive materials (English & Spanish)	200G
Miscellaneous hazardous materials (English & Spanish)	200H
Properties of hazardous materials (pg.1)(English & Spanish)	200i
Properties of hazardous materials (pg.2)(English & Spanish)	200J
Watch out for incompatible chemicals (English & Spanish)	200K
Reactivity of hazardous materials (English & Spanish)	200L
Lead hazards (English & Spanish)	200M
Emergencies involving solvents (English & Spanish)	200N
Emergencies involving corrosives (English & Spanish)	200P
Responding to a chemical spill (English & Spanish)	200Q
Emergencies involving reactives (English & Spanish)	200R
Protecting against chemical hazards (English & Spanish)	200S
Reading material safety data sheets (English & Spanish)	200T
Manufacturer's warning labels (English & Spanish)	200U
Hazardous material identification system labels (English & Spanish)	200V
DOT labels & placards (English & Spanish)	200w
Common bleach - cleaner or killer?	200X
Hydraulic leak may cause finger amputation	200Y
Hydraulic oil leak	200Z
Infection control: universal precautions	200AA
Material safety data sheets	200BB
Chemical warning labels	200CC
Steering clear of chemical dependency	200DD
Recognize & avoid reproductive hazards	200EE
Storing hazardous chemicals (English & Spanish)	200FF
Protecting workers from lead hazards	200GG
Revised hazard communication Standard training requirements	200HH
The three F's of welding & cutting	201A
Choosing & using respiratory protection (English & Spanish)	201B
Respiratory hazards	201C
Use respiratory protection (English & Spanish)(poster)	201D
Common bleach--Cleaner of Killer?	201E

Chemical (Cont)

Ethylene oxide	201F
----------------	------

Waste anaesthetic gases	201G
Mixing antineoplastic drugs	201H
Hauling & disposing of antineoplastic drugs	201i
Formaldehyde	201J
Mercury	201K
Glutaraldehyde	201I
Check it once, check it twice	201M
Safety is everyone's job (English & Spanish)	201N
Protecting workers from asbestos hazards	201P
Mixing antineoplastic drugs	202A
Hauling & disposing of antineoplastic drugs	202B
Mercury	202C
Glutaraldehyde	202D
Use proper work gloves (English & Spanish)(poster)	203A
Skin hazards (English & Spanish)	203B
Choosing & using work gloves (English & Spanish)	203C
The burning brush	203D
Mixing antineoplastic drugs	203E
Hauling & disposing of antineoplastic drugs	203F
Formaldehyde	203G
Mercury	203H
Glutaraldehyde	203i
Haul with care	203J
Skin hazards (English & Spanish)	203K
Anhydrous ammonia - First Aid/PPE	203I
Anhydrous ammonia - nurse tank safety	203M
Cement safety	203N
Cement safety (Spanish)	203Ns
Needles & other sharp instruments	204A
