Safety Information Catalog

Logging/ Arborist

Article Name	Article Number
Personal Protective Equipment for Logging Operations	800A
Hard Hat Prevents Fatal Injury to Saw Operator	800B
Logger's Skull Crushed While Walking In The Woods	800C
Worker's Hand Crushed in Grapple Skidder Accident	800D
Skidder Falls Into A Ravine	800E
Overturned Feller-Buncher Catches on Fire	800F
Feller-Buncher Spear Impales Sawhand	800G
Machine Operator Killed While Repairing Feller-Buncher	800H
Mechanized Felling Equipment	800I
Landing Area	800J
Operation of Rubber Tired Skidders (2 pg)	800K
Sawhead Operator Comes Too Close To Rotating Disk	800L
Loading	800M
Mechanized Loading	800N
Gate Delimbing	800P
Long Hair Catches on Rotating Shaft	800Q
Worker Pinned Between Chip Trailer and Skidder	800R
Safety In Logging Transportation	800S
Chain Saw Cuts Logger's Arm	800T
Logger Injures Leg	800U
Saw Kickback Fatality	800V
Injury from Chainsaw Kickback	800W
Worker Suffers Serious Chain Saw Cut	800X
Safety Guidelines for Chainsaw Operation (English & Spanish)	800Y
Tree Falls Wrong Way, Killing Timber Feller	800Z
Working Safely With Chain Saws (English & Spanish)	801A
Chain Saw Safety Awareness (English & Spanish)	801B
Common Chain Saw Injuries and How to Avoid Them	801C
Feller Killed By Hung Tree	801D
Unmarked Hazard Tree Falls on Logger	801E
Felling	801F
Limbing and Bucking	801G
Tree Felling	801H
Forester's Field Safety Guidelines	801I
AMERISAFE Logging Requirements (5 pages)	801J
Logging Acts & Facts (64 pages)	801K
Tree Trimming & Removal (English & Spanish)	801L
Tree Trimming Safety (English & Spanish)	801M
Arborist Falls from Tree after Cutting Lanyard	801N
Springpole Injures Logger	801P
Chipper Safety	801Q
